2022 SMOKE ALARM LEGISLATION - UPGRADE AUTHORISATION FORM

To proceed with the smoke alarm upgrade at your rental property, please complete your details and return this form to your property manager, or to Quickcheck at: admin@quickcheck.net.au

I acknowledge:

For \$175 per smoke alarm required, Quickcheck will:

- Install quality photoelectric "Red" brand smoke alarms, with a 10 year warranty
- Install a wireless, wall mounted Smoke Alarm Controller that assists occupants to instantly deal with false alarms*
- Interconnect all smoke alarms (hardwired where required, or otherwise wirelessly)
- Supply all materials
- Perform all work/labour
- Install a separate smoke alarm circuit (if required)
- Install a quality safety switch on the smoke alarm circuit (if applicable)
- Provide a smoke alarm compliance report and electrical compliance certificate
- Guarantee your property meets with the new smoke alarm legislation requirements

Quickcheck will arrange to attend my rental property to install/replace the required number of smoke alarms**

Quickcheck will ensure my property meets with the requirements of the new smoke alarm legislation

Quickcheck will provide one year's membership on their Annual Compliance Program from the date of upgrade

Subsequent Annual Compliance Program membership renewals will be \$110 per annum

Please upgrade the smoke alarms at my property to meet with the new Queensland smoke alarm legislation

Queensland Fire & Emergency Act Services 1990, Building Fire Safety Regulations 2008 & Electrical Safety Act 2022
